Our Summer Reading Program for Adults runs from June 7th until August 7th.

Sign up online to log the books you read or audiobooks you listen to at

<http://bit.ly/wateryourmind> or by visiting the Summer Reading table in the

library. Patrons who sign up to participate online will be able to log their reads 24/7 and write reviews for other patrons to enjoy. Each week, the Library will award a gift certificate from a Sewickley business to one lucky Summer Reading Program participant. The Summer Reading Programs for Children, Teens and Adults are generously underwritten by the Friends of the Sewickley Public Library.

All-Ages Photo Safari

This summer, all patrons are invited to participate in a Photo Safari. Every week between June 21st and August 8th, participants will be given a word or idea that they will need to depict in seven pictures. Participants must upload their pictures weekly to the SPL Photo Safari Flickr group to be eligible to win. At the end of the summer, all eligible participants will be entered to win a fun family night out. For more information and to sign up, visit the blog: <http://splphotosafari.wordpress.com/>.

New! Laptops for Teens

Teen patrons in grades 6 through 12 can use their library card to check out a laptop! Currently the laptops may be checked out *for a two-hour period of time to be used in the library*. Any teens wishing to use a laptop must bring their library card and photo ID (a school ID is acceptable) with them to the Teen Desk. They are available to borrow when Kelly or Blair are at the Teen Services Desk. Pick up a brochure at the Teen Desk for more information about this new service. The ThinkPad laptops are generously funded through a grant from Child Health Association of Sewickley.

Thank You 5th Grades!

Many thanks to the 5th grade art classes at Edgeworth and Osborne Elementary schools who raise funds each year selling their beautifully designed block-cut note cards. This year the monies that were raised were donated to the Sewickley Public Library. We will use these funds to purchase of a series of books called The United States (a book on each state) for the Children's Department and for our "Keep Our Fridays" Campaign. These students chose to make a difference in our community and we are grateful.

Special thanks goes out to those patrons who have donated some spectacular items: current novels, brand-new hardbacks, a slew of paperbacks, darling children's books & board books, magazines in mint condition and lots of items for our displays! We appreciate these literary sacrifices, what better way to recycle and add a little funding for the Library at the same time! Our patrons buy these items and enjoy them on a daily basis.
