## Friends of the Sewickley Public Library – A History of Giving!

### By B.J. Johns, Friends of the Sewickley Public Library Board Member

The Sewickley Public Library has something for everyone. So it's no surprise that everyone wants to play a role in the continued financial success of the community's most visited space. The Friends of the Sewickley Public Library is a fundraising group dedicated to finding unique and community building ways to support the library. Originally incorporated under the name "Sewickley Public Library Society" on December 10, 1947, the non-profit organization works tirelessly to engage the community for support to bolster the vital operations of the library. Yunsu Park, President of the Friends Board, commends his group for their willingness to work long hours to make certain the library has the funds it needs to stand as a pillar of our community. "The Friends Board members are an energizing group of volunteers who generate creative and interesting ways to link the needs of the library with fundraising events that are well supported by our community."

The calendar of fundraising happens all year long. The key note event, Savoring Sewickley, is a sweet experience for patrons to enjoy fine food and drink in the library. The event scheduled for October 25, 2015 was sold out early in October! The Friends Board also solicits donations through direct mailing in the form of an Annual Appeal letter. Additionally, they hold quarterly book sales generated directly from community book donations as well as a table set-up daily near the circulation desk with seasonal sales items. The Friends support all library volunteers and staff with appreciation luncheons during the year.

"We are able to purchase books, technology, and additional items that make the Sewickley Public Library so useful to our residents as a result of the funds generated by the many events coordinated by the Friends" commented Carolyn Toth, Sewickley Public Library Director. Sewickley Public Library serves the 11 communities of the Quaker Valley School District. Through generous contributions by donors and friends, the Library is home to anyone with a love of learning.
