David A. Murdoch

Sewickley Public Library Visionary and Leader

The Sewickley Public Library lost an important friend, supporter, and advocate of the library on November 24, 2015:

David A. Murdoch.

Mr. Murdoch believed in libraries for the purpose of improving each individual through education and knowledge. He was Chair of the Capital Campaign and Vice President of the Board of Trustees during the 1998-1999 major expansion and renovation project that created, within the Quaker Valley School District, a highly distinctive and nationally recognized public library.

His leadership, vision and dedication to libraries, and his enthusiasm for the Sewickley Public Library, in particular, has impacted not only the lives of all who have worked here, but countless thousands of other people who have crossed the library's threshold. So much of what I do as the Director of the Sewickley Public Library is in response to Mr. Murdoch's philosophy of libraries. Even as libraries continue to evolve from quiet, book lending institutions to social, technologically driven organizations, the key element Mr. Murdoch impressed upon me was that "the library is the keystone of the Community." As the "keystone" to our community, the library's mission is to offer the best educational and informational opportunities to everyone, with the goal of closing the gap between the information-rich and the information-poor. Mr. Murdoch's vision provided ample space for people, programs and book and media collections for everyone in a beautiful, highly functioning facility.

David Murdoch's vision and legacy will continue to impact the Quaker Valley region for years into the future.

Welcome to our library By Joel Swanson, Board of Directors

I am the newest in a long line of your friends and neighbors to serve on the Board of Directors of Our Sewickley Public Library. "Our" is not actually part of the official name, but it should be. I assume that anybody reading the Sewickley Public Library newsletter is a fan, but as the library has grown and changed and responded to our community's needs, you and I may look at our library in slightly different ways. So, a little bit about how I got here.

When I think back on my quarter century attachment to our library I can only vaguely recall how it used to look prior to the renovation and expansion of 1998-1999. The library that I grew up with (in New Jersey) was constructed in the late 1960's and didn't really have much character. The first thing I noticed was how charming and intimate the Sewickley Library was; being in the center of our town is really convenient as well. With four children to entertain, our family found the library quickly and spent a lot of time in the children's section. Apparently we took up enough time and space so that when the Friends of the Sewickley Public Library (FOSPL), our most excellent volunteer support group, started the book sales my wife was tapped to volunteer for the sales. Translation: My wife, four children and I spent many quality hours together setting up book tables, helping at the sale and then bringing bags of books home to read on the last day (\$5 a bag!). Helping with the book sales has become something of a family tradition; my kids still help when they are in town and I still can't resist bringing home more books than I can possibly read.

From book sales to Battle of the Books, my whole family developed into pretty big readers but I, like many of you, work more than I read. I also have a pretty hefty commute to work. I have become a power user of our audiobook section. When my oldest son was twelve he would re-read the same book several times so I suggested that after every third book he could pick something that would be a stretch for him. I was pretty proud of my clever plan until he looked at me and said "That's a pretty good idea Dad. What are you reading?" Busted. For better or worse my brother-in-law, a college professor, had just been to visit. I don't

know what came over me, I told my son that I was getting ready to read some Aristotle. Fortunately our library has Aristotle. It was painful at first but I got through it and now I do a steady rotation of a completely fun audiobook, a stretch book and then one of "The Great Courses" lecture series (which I highly recommend if you have not already tried one). Our library, with the interlibrary loan system, keeps my hour long commute a lot more interesting and the highways of America a little bit safer.

And now, these many years later, and as a member of the Board of Directors, I look at the library in an additional way. We work to maintain and upgrade the library to serve as a center for learning, educating, and creating for generations. We will strive to respond and adapt to the changing technologies and needs of our community while keeping the same charm and intimacy that make the Sewickley Public Library "Our" library.

Children's Department Programs

Please Register for the following unless otherwise noted.

Lego Mini-Fig Exchange – Tuesday, January

5, 7 - 8PM - It's Lego Night at the library, with a twist! Stuck with three cheerleaders? Five skydivers? Bring the LEGO Minifigures you'd like to trade (and an adult, to assure fair trades) and get some new Minifigures for your collection! We'll also build, of course! **Grades K-5.**

Chess Night – Wednesday, January 6, 7 - 8PM - Kings, Queens, Rooks, Knights, Bishops, and Pawns everywhere for everyone to play! All skill levels welcome! Bring a chess set if you're able.

Grades K-8.

All-Star Saturday Storytimes – Saturdays, January 9 & 23, 10:30 - 11AM - On the 2nd and 4th Saturday of the month come to our new special storytime! There will be a unique theme each time, including music, rhymes, and activity/craft. For January, 'Alphabet Mix-Up' will be on the 9th and 'Food Bonanza' will be on the 23rd. After our literary adventures, stay to play and make new friends! No need to register! **All Ages with care provider.**

Doc McStuffins Movie & Craft – Saturday, January 9, 2 – 4PM - Dottie "Doc" McStuffins is on our big screen fixing toys and dolls with her magical stethoscope. We will watch a few episodes and then make a movie-themed craft. **All Ages.**

Dog Tales – Sunday, January 10, 3 – 4PM - Certified Therapy Dogs LOVE to be read to but we need children to read to them! While snuggling and petting a dog, choose a picture book we provide and read to your furry reading companion. Please call to register for a 15 minute time slot to read to a dog. **Ages 4 & up with Adult.**

PJ Story Time: Waddle, Waddle Penguins –

Wednesday, January 13, 6:30 - 7:15PM - Penguins have waddled all the way from Antarctica to join us for stories and songs. Before craft and snack time, share your favorite penguin toy, shirt, blanket, etc. Bundle up in your jammies this storytime to join in the fun! **Family Program.**

Pre-School/Kindergarten Open House For Parents - Wednesday, January 13, 7 - 8:30PM – Please see the front page of the newsletter for more information.

Math and Science Fun: Let's Build- Friday, January 15, 1 - 1:45PM - Learn about math and science while exploring a variety of building materials. **Ages 2-5 with caregiver.**

American Girl: Wintertime With Caroline - Saturday, January 16, 1 - 2PM - Join us for some wintertime fun! American Girl doll Caroline Abbott grew up with some pretty harsh winters by Lake Ontario in the early 1800s, and she's ready to show us how to have fun even when it's cold out! We'll make some winter hand muffs for our dolls... and a mini ice rink that you can take home! At the end of the hour, we'll have some hot cocoa and gingerbread cake, Caroline's favorite snack. **Grades K-5.**

Young Scientists - Tuesday, January 19, 7 - 8PM - "Objects at rest will stay at rest and objects in motion will stay in motion in a straight line unless acted upon by an unbalanced force." This is one of Sir Isaac Newton's Laws of Motion, and we'll explore what exactly he means by making a balloon rocket car! **Grades 3-5.**

Fabulous Fridays! – Friday, January 22, 4 - 5:30PM - Stop in anytime to the Children's Department to create a make & take craft. No need to register! **All Ages.**

Winter Science Experiments – Saturday, January 23, 2 - 3PM - Fall in love with science this winter as we try some exciting experiments. We will explore cold temperatures, ice, and snow while staying inside warm and cozy. Just in-case, wear clothes you don't mind getting dirty. **Grades K-2.**

LEGO Bingo - Monday, January 25, 7:30 - 8:30PM - LEGO + Bingo! Who could ask for a better theme!?! **Family Program.**

It's a Disaster! - Tuesday, January 26, 7 - 8PM - Most kids have read the *I Survived* series by Lauren Tarshis, so why not spend an evening at the library digging deeper into the real historical events the books are based on? We'll use iPads to explore the sinking of the Titanic. By the end of the evening, you'll be asking yourself this question-could I survive? **Grades 3-5.**

Battle of the Books 4th Grade Meeting - Wednesday, January 27, 7PM - Please see page 2 of this newsletter for more information.

Battle of the Books 5th Grade Meeting - Thursday, January 28, 7PM - Please see page 2 of this newsletter for more information.

What's Cooking? Grilled Cheese and Tomato Soup -- Saturday, January 30, 11 - 12:30PM -

There's absolutely nothing better than grilled cheese and tomato soup on a cold winter's day. Join us in the library as we head to the kitchen to learn how make our own grilled cheese and tomato soup for lunch. As we eat, we'll read a book (spoiler alert: it may or may not feature grilled cheese and tomato soup) and make a simple craft. **Grades K-5**

Shopkins Trade and Make and Take – Sunday, January 31, 2 - 3PM - Did you get some Shopkins for the holiday? Want to trade? **All Ages.**
